

Thanks for downloading my free 8 bit SFX Pack (\$7 value)!
This pack contains:

- 3 Game Start sounds
- 4 Game Over sounds
- 1 Explosion sound
- 1 Punch sound
- 1 Power down sound
- 3 Power up sounds
- 1 Gunshot sound
- 1 Laser sound
- 3 Jump sounds
- 2 Fall sounds
- 1 Hurt sound
- 4 Death sounds

This includes variations for each sound. The sound effects were made entirely in Deflemask and there are both WAV files (44.1kHz, 16 bit) and OGG files.

I hope these sound effects serve your game well! No need to give me credit or purchase a license to use these in your commercial game. However, it would be great if you let me know if you use any of the sounds in this pack in your game so I can share your game with my audience!

If you have any questions or would like to hire me for your game, feel free to contact me at: contact@maskedsound.com

Cheers,
Amanda
